Molded Roebelinii Palm Clusters

The Molded Roebelinii Palm Cluster is our most recent addition to our line of replica molded trunk palms. Everything from the detailed trunk to the light leaves makes this plant a classic beauty. An excellent tree for **medium** to **large** installations - commercial and residential.

- **Choose 2, 3 and even 6 trunk clusters**
- **6', 8', 10' and 12' overall height**
- **29 fronds each per trunk**
- **Consider using our Preserved Morrea Grass ground cover as shown in the image**

Retail Price: \$ 106.00 per foot.
